Office of Undergraduate Financial Aid

First Floor, 203-432-2700

To write to Financial Aid, go to: sfs.yale.edu/contact

Information website: finaid.yale.edu

The Office of Undergraduate Financial Aid provides comprehensive financial information to students and families at one location. Financial Aid Officers can handle all questions about undergraduate financial aid, student accounts, and student loans for Yale College. Financial Aid Officers assist students and families in obtaining information about their student accounts as well as specific charges and credits appearing on their accounts. Additionally, the Financial Aid staff is responsible for the processing and disbursement of all undergraduate financial aid.

Office of Student Accounts

Second Floor, 203-432-2700

Information website: student-accounts.yale.edu

The Office of Student Accounts is responsible for posting the semester tuition and fees, accepting and processing payments to student accounts, receiving check endorsements, and disbursing credit balance refunds. The Office of Student Accounts is here to assist you with the financing and payment of your Yale University education.

Student Employment Office (SEO)

Second Floor, 203-432-0167

e-mail address: student.employment@yale.edu

Information website: yalestudentjobs.org

The SEO staff assists full-time students in obtaining employment by providing an up-to-date website listing of all jobs including various short-term jobs. Student paychecks are also distributed at this location.
